Gallon 1 Compartment
Aluminum Tank, 2 1/2"
Blackmer Pump,
Schlumberger Meter with
Neptune Register,
Approximately 125' of 1
3/8" Delivery Hose.

INFO: Our refurbishing
process varies depending
on what each specific
truck needs, with quality
being our highest priority.
Every truck goes through
our 21 point Quality
Inspection Checklist. We
refurbish each truck to
ASME and DOT
standards. We then go
through and completely
detail the truck by steam
cleaning the engine, the
chassis, the tank, the
meter box, etc. Next, we
send the fuel truck to a
third party vendor that
performs the annual and
five year test on the tank,
along with the
Department of
Transportation (DOT)
annual inspection.
Customers who purchase
our trucks will have the
benefit of a full annual
and a full five year tank

certification (P,I,V,K)
along with the full annual
DOT certification.
